"Holocaust" TV Onslaught a Pack of Lies

The Thunderbolt

ISSUE #227 MARCH, 1978

"Roots" was so successful that the Jewish Anti-Defamation League brought in the Jew director of that fictional story to do the Holocaust show. Like Roots this is supposed to be the story of a family, in this case, a Jew doctor in Germany. NBC-TV portrays the Jew family as being *"gentle and compassionate."* Then there is another family-German-who before the war is helped by the *"good Jewish doctor."*

Later, the son of the German family becomes a bestial SS officer who is urged on by an ambitious German wife. The "poor Jews" are sent to a concentration camp and their lives are in the hands of the German officer whose family the kind Jew doctor once helped. It is claimed that this will be the most heart-wrenching TV film ever shown and that one must not be without a handkerchief while viewing it. "Holocaust" will also be given an extensive promotion buildup rivaling that given "Gone With The Wind."

Everyone involved in making the show are Jews. "Holocaust" is written by the Jews Gerald Green, Herbert Brodkin and Robert Berger. It will be an 8 hour extravaganza extending over 4 days of 2 hours each night. "American Jewish Committee" officer Rabbi Marc Tanenbaum says that "Holocaust" will be the most extraordinarily moving, and magnificently acted production ever made *"which translates the trauma and unspeakable horrors as well as the heroism of the Jews that will touch the conscience of millions of Americans as no other effort ever has!"*

In other words, we are in for the greatest brainwashing campaign of the century. One NBC-TV release which is blatantly anti—German states that this new *"sensation of the century will depict historical events of the Jewish resistance, as well as the terrible events in concentration camps along with scenes of diabolical plotting and conniving by the German architects of mass murders, all based on actual records."* These are LIES all LIES, but in the new communist form of rewriting history many uninformed viewers will actually believe that what they are witnessing is a true story and not a fiction novel.

"The Holocaust" will run from April 16-19, during passover. The Jews want to instill such extreme guilt in ALL Christians that we will back Zionism to the hilt regardless of the atrocities they commit against innocent people like the Arabs. It should be noted that the Jews have long used many Christian ministers who have fallen for their lies to reduce members of their church to actual worshippers of the Jews as their God instead of Jesus Christ! This actually took place in two Lutheran Churches in Long Island, New York.

You can best awaken your friends and co-workers to the villains behind the Holocaust TV show by ordering and distributing extra copies of this issue of "The Thunderbolt". This is one of the most important issues we have ever published.

Scene from "Holocaust" which is supposed to have been filmed on actual location sites. This is supposed to be the Warsaw Ghetto in Poland. Actually it is in front of the Communist-built Berlin Wall.

German Groups Protest "Holocaust" Lies

Steuben Society Education Committee leader Ilse Hoffman protested the holocaust studies program being forced upon Christian children in New York City. She wrote the *New York Times: "Why should our educational philosophy be used to propagate evil? Such studies are divisive and incite hatred of Germans."*

The German-American Committee of New York, with 50 branches, charged that *"there is no real proof that the holocaust actually did happen. Since there was no real holocaust, why remember it at all?"*

German-American Citizens League President Mr. Eugene von Riestenberg protested: *"Stalin killed over 30 million innocent people and Mao killed even*

King Stole Martin Luther Name

EXCLUSIVE: The Thunderbolt has learned that "Martin Luther" King's real name is Michael King. In 1935 "Daddy" King told his son: "from now on you and I are going to be named Martin Luther King (Jr. and Sr.). They simply stole the name of the great Protestant Reformer and did not bother to do it legally in court. Therefore, this fraudulent pair should be called Michael King and not "Martin Luther" King. Let's insist upon the use of their REAL names by the press, politicians, preachers, etc.

Actual photo of King and Coretta. He was quite short of stature and weak in appearance.

King TV Show a Flop

NBC-TV allowed Jew Abby Mann a $5 million budget to produce the TV docudrama *King*. This is the kind of money usually spent on a major motion picture. This time it all went down the drain.

King was supposed to be another *Roots*, telling of the make-believe *"trials and tribulations"* of Martin Lucifer King, Jr. NBC picked a pro-communist Jew to make the King film. Mann won an Academy Award for writing the anti-German hate movie *Judgment at Nuremberg*. Jerry Buck of the Associated Press quoted Abby Mann as stating that *"I've been to the Soviet Union twice. I was never a Communist, but nobody could have been more sympathetic (to the communist cause)."* He stated that he was *"appalled"* at the *"missed opportunities"* of communism.

Abby Mann wrote and directed the King TV film. He seeks to ridicule the fact that one of King's closest advisors was the Jew Stanley D. Levison, a New York lawyer who is closely connected to the U.S. Communist Party and was a leading member at one time. Mann says nothing about King's training at the communist Highlander Folk School in Tennessee. Karl Prussion, an investigator who once spied on the U.S. Communist Party for 22 years, swore under oath that King was a member of 60 communist fronts.

Negro civil rights leader Rev. Hosea Williams of Atlanta declared that the film was a distortion of King and that NBC had paid the King family kickbacks for their portrayal of King. But when all was said and done and the results were in, the Nielsen TV rating firm called the King film a "disaster." Less than one viewing household out of five bothered to view *King*.

Revealing himself as the radical race-mixer he is *Atlanta*

Proof Holocaust Never Happened-6 Million Safe

There Was Never a "Holocaust"

Many articles and books, thoroughly researched and documented, have been written debunking the BIG LIE that the Garmans ever killed 6 million Jews during World War II. We urge all readers to purchase Prof. Arthur Butz' masterful book, *The Hoax of the Twentieth Cenury* at $5 per copy and/or the magazine-style booklet *Did Six Million really Die?* at $1 per copy, both available from *The Thunderbolt*.

First, let's look at the figures supplied by the Jews. They state that six million Jews were killed during World War II. Many Jews fled Germany, France, Poland, Russia and other countries prior to the war, but many large Jew communities still exist in those countries today. (There are over 600,000 in France alone.)

Actually, the world Jewish population increased between 1939 and 1945. Thus it was not possible for the claim that *"one-third of all Jewry perished at the hands of the Germans."*

The Guiness Book of World Records for 1975, on page 391, states that *"the total Jewish death count could not have exceeded 1.2 million as opposed to the widely-accepted figure of 6 million."* Guiness says that of this figure, some 900,000 were gassed at Auschwitz.

A noted and respected German authority on this subject, who is also a Judge, is Dr. Wilhelm Staeglich. He wrote that during the war he visited Auschwitz several times and found it to be a work camp with no gas chambers.

Dr. Staeglich states: "In 1944 I was an officer in the parachute section. From the middle of July to the middle of September (1944) our unit was stationed in the vicinity of Auschwitz to protect its industrial plants in which inmates of the camp worked. Our staff was quartered in the little village of Osiek. We received our provisions during this time - at least in part - from the concentration camp, which, among other things, was equipped with its own slaughterhouse and bakery.

(continued on page 2)

Holocaust a Fraud

(continued from page 1)

"I was in the camp three or four times. At none of these visits did I see gas chambers, nor crematoria, nor instruments of torture, nor any similar horrid appliances. The camp made a well tended impression and suggested superior organization...In none of my visits could I observe that the prisoners were treated badly, not to mention inhumanely. I even saw the women employed in the camp offices (inmates who were Jewesses) - each with a bottle of milk before her. None of the inmates acted as if in fear of mistreatment, let alone of death."

Dr. Staeglich states that there were relatively few and elderly SS guards at the camp and the prisoners *"talked loudly and laughingly."* Also, he reported, *"persons who are under the constant threat of death do not act that way! In a museum at Dachau is a picture with the inscription 'Crematoria of Auschwitz.' Seeing it I seemed to recognize the bakery ovens in Auschwitz, which the inmates had shown me during their baking!"*

Thus if we subtract the Auschwitz 900,000 from the 1.2 million in *Guinness Book of World Records* we come down to 300,000 dead Jews from World War II. Remember that the Germans lost 250,000 innocents during the bombing of Dresden alone! The 300,000 dead Jews is correct. Most died natural death, from disease or famine which affected all in Germany near the end of the war. It should be kept in mind that this is the smallest number of any of the major combatants participating in that war. Germany lost the most people with 20 million being a most conservative figure.

Last, but not least, we wish to state that we have in our possession a letter from *"Time Magazine"* editorial editor Martha Kennedy Babcock dated June 14, 1977, which states that, *"there are no exact statistics regarding the number of European Jews exterminated under Hitler."*

Therefore, we have the right to ask that this SUPER PROPAGANDA HOAX to instill within all Christians a guilt complex over the 6 million myth be stopped and we call for public protests. Write your local NBC-TV station that you oppose such blatantly anti-German shows as "The Holocaust." Next month we will supply you with a list of the sponsors of the holocaust show so that one and all can be boycotted.

more, but I have yet to see NBC hammer away at these crimes. Why is it that after 33 years, only one people continue to be singled out as targets?" He urged that the *"titanic contributions"* made by famous German-Americans to this nation be taught in schools, instead of foul holocaust garbage. *"This is detrimental to our country,"* said von Riestenberg.

Why not have TV docudramas on the murder by Stalin of 15 million Russian Kulak farmers in 1929 to 1930, or the 7 million Ukranian peasants he slaughtered between 1931 and 1933? How about the millions of Hindus and Moslems slaughtered by one another in India in 1947? What about the more than 1 million Armenians brutally killed by the Turks in 1918? The more recent slaughters of the Biafrans by the Nigerians and the mass killings in Bangladesh, along with the communist slaughter of over 1 million people in Cambodia? Let's have TV docudramas on these real mass murders.

When one considers that there is no statistical way in which more than 300,000 Jews could have died during World War II, there is absolutely no justification for the holocaust guilt campaign now being waged on the biggest scale in history to implant false guilt feelings in the minds of our people. The time has come for us to demand that it be stopped. You can help expose and reverse the damage of this unholy Jewish campaign by ordering and distributing extra copies of this issue of *The Thunderbolt* and our books exposing the phony "holocaust."

Stole Luther's Name —

(continued from page 1)

Constitution Associate Editor Bill Shipp, who excused the poor showing as being *"too painful"* for White folks to view, since we treated King so poorly. His column on that subject was a classic display of the sick White self-hate syndrome. The truth is that people are no longer interested in King and are just as happy he is gone. He will never be a hero to White Christian Americans, no matter how hard the Jews try to make him so.

Shocking Negro Murder Rate

A study made by the U.S. Population Center reports that the negro's life span is becoming shorter while Whites are living longer. The sole reason is that blacks are murdering one another at a faster clip than in previous years. The average White life span (men and women) was 70 years in 1960 and has increased to 71.9 in 1975. The negro's life span was 63.6 in 1960 and dropped to 62 in 1975. (Excluding women it is only 58 years.)

The chief cause of death for negroes between the ages of 25 and 44 is murder. Next is cancer and third is auto crashes. During 1975 there were 633 murders in Detroit, 818 in Chicago and 1645 in New York City. Over 90% of the victims were negroes slain by other blacks - the big trouble is that more and more Whites are now being killed in the crossfire.

King Was Sex Pervert

King's Sex Life Exposed

Norfolk, Va. City Council recently voted 6 to 1 to declare Jan. 15th "Martin Luther King Day." One courageous councilman had the guts to protest. He is a former Norfolk police chief who has personally investigated King's record.

Mr. Claude J. Straylor, Jr. stated that *"King was a fraud, an immoral man and a hypocrite."* Straylor said the FBI tapes of King's phone and bedroom proved that King was leading a *"dual life."* He added that we should not honor a man who *"was the most immoral man to ever lead a cause in this country and was this nation's greatest hypocrite and fraud. I cannot go along with this fraud and I do not respect Martin Luther King."*

Mr. Staylor reminded the Norfolk City Council that King personally conducted one of the worst race riots Chicago ever had, attacked his own country and supported communist North Vietnam and *"even condemned the veterans of that war."*

Martin Luther King stands on the balcony at the spot at the Memphis Motel where he was shot later that day. Chicago's Jesse Jackson, left, and Atlanta's Ralph Abernathy at right.

Why FBI Bugged King

There was a twofold purpose for the taps placed on King by the FBI. One was to see to it that he did not go further than official government policy in promoting civil rights. The FBI wanted to know in advance where King would next try and instigate civil strife. Classified FBI tape recordings still have not been released on King because government sources state that they would destroy King's image as a "Christian Minister," family man and "noble" civil rights leader. Here are a few of the disclosures we have learned about the King tapes.

Washington's old Willard Hotel was the scene in which King got drunk from too many "Black Russian" drinks and forced his sexual attentions on a woman guest.

King often sent his men out with SCLC money to solicit White prostitutes upon which he seemed to enjoy performing acts of sexual perversion. One tape has King paying a prostitute in Las Vegas $100 for her services.

New York City, King got drunk and threatened a young White girl fan of his that he would commit suicide by jumping from the 13th floor of the hotel unless she submitted to his strange sexual tastes. She succumbed in order to prove her loyalty to the civil rights cause.

Oslo, Norway was paid a visit by King so that he could receive a Nobel Peace Prize. King was caught by police in the middle of the night totally naked, chasing a White woman through the hotel halls. The incident was not reported because it would destroy King's reputation.

Los Angeles, a dentist supporter of King was outraged when he discovered that his wife was having an illicit affair with the civil rights leader. King had to leave town when her husband threatened him. The last sexual escapade of King was taped on Feb. 20, 1968. He was shot to death in April of that year.

Five years of King's sex and perversion are on these tapes, plus other information such as the scandal of the Atlanta SCLC being involved in an auto theft ring. All of this and much, much more wait in the wings for release.

This documentation is deliberately being suppressed so as to try and save King's reputation and continue to build him up in the eyes of our children. Distribution of extra copies of *The Thunderbolt* will help expose the King hoax.

ERA's Disruptive Effects Felt

How Far Will "Women's Lib" Go?

Sports Illustrated reported Miss Melissa Ludtke threatened to sue unless she was admitted to the men's locker rooms after baseball games. Los Angeles Dodger manager Tom Lasorda defended his players' right to privacy, stating that *"a lot of guys on our club feel uncomfortable naked even in front of their wives."*

Miss Ludtke charged that this was just another *"sexist"* excuse and a *Sports Illustrated* editor stated: *"If public thinking is that Melissa is going to the locker room to inspect Reggie Jackson's genitalia, it's the public's problem."* Passage of the ERA would require mixing of men and women in sports, public toilets and, yes, men's locker rooms!

Lesbianism on Public Display

Indianapolis State Senator Joan Gubbins has protested the "Women's Lib" display set up in the rotunda of the State Capitol. In celebration of International Womens Year, the display includes literature on how lesbians make "love," the rights of prostitutes, and the program of a Marxist group. Mrs. Gubbins said that she had received numerous complaints from the public and many of her own colleagues and said she thought the ERA people were carrying things too far.

Women in Navy Have Second Thoughts

Norfolk, Va. U.S. Naval Base made a survey of 83 female seamen and found that 58 did not want duty at sea. Some said they were afraid of immorality and the possibility of rape at sea. Others said they got seasick and some expressed a fear of being surrounded by water. The present naval program visualizes Navy crews in the future with ships' personnel ranging from 25 to 50 percent women.

The Marxist women's lib movement has already gone too far. Thus the Kentucky State House voted to revoke its previously passed ERA. No doubt other states will follow, but the radicals will still pull every trick in the book to get it through such states as Florida, Illinois, Missouri, Georgia, South Carolina and Virginia.

JEWS REPRINT STALIN HOLOCAUST BOOK

Holocaust to be Required in ALL Schools

Secret Meeting Set Up Holocaust Study Program

The Work of Elie Wiesel and the Holocaust Universe was the theme of a secret conference held in Old Westbury, Long Island in September, 1976. Attending were important Jewish leaders from the U.S., Canada, England, France, Israel and Norway. Chairman of the group was Prof. Irving Greenberg.

This three-day conference ironed out the plans for holocaust indoctrination studies to be prepared for use in every elementary, high school and college in America. The group established a production center to be run by the Jew ADL which has turned out 50 different texts and audio-visual materials to be used in the schools.

Great Neck, N.Y. teachers had to take a 15-week course in the effective use of such materials. School children were required to take a six-week course on the holocaust. Even 9th graders were shown purported death camp movies depicting the decapitated heads, decayed corpses, pieces of tattooed human skin displayed by Hollywood Nazis, etc. Some teachers protested against such sickening films but the Jews insisted that this would implant a life-long impression in the minds of children that they will never forget the suffering of the *"poor, persecuted Jews."*

The Communist Daily World of Oct. 14, 1977 hailed the new Holocaust study program of two-volumes for New York public schools as a great step forward. It stated that the study included German persecution of communist party members and that this would help improve East-West understanding. The 461-page books include gory pictures supposedly depicting piles of dead Jews. The Jew Chancellor of Schools, Irving Anker, said that the program was tested on 25,000 New York children, and all were shocked. Some suffered deep depression after the course. Anker hailed this as a *"great breakthrough"* in education.

New Orleans school teachers went through a *"little-publicized course"* last October conducted by the Jew Anti-Defamation League. The teachers were taken from *"affluent New Orleans schools only"* according to Rabbi Marc Tannenbaum. In other words, they are not going to waste their time on negroes, but shall concentrate on impressionable young Whites who may one day be leaders in their communities. Rabbi Tannenbaum said that the production of the TV docudrama *Holocaust* would enable Jews to win approval for the holocaust studies program in over 400 major school districts nationwide.

Philadelphia now has a mandatory program for Christian school children to study the holocaust. Tannenbaum said that **Georgia** school administrators are going all-out in preparing for the program as are school districts from Massachusetts to California.

Ilya Ehrenberg was the most vicious of anti-German Soviet writers during World War II. He was born of wealthy Jewish parents in Moscow and served a prison term for revolutionary activity under the Czar. Ehrenberg participated in the Bolshevik revolution and was the communists' chief correspondent in Spain during the civil war. Ehrenberg wrote many novels and was allowed to travel to and from Russia as a representative of the Communist Internations. During the war he headed the Communist Anti-Fascist Committee and publically called for a blood bath of the German people toward the end of the war.

Communist "Holocaust" Book

"The Black Book" was published under the direct orders of Russia's Joseph Stalin. It was intended to blame the Germans for all kinds of "atrocities" including Stalin's cold-blooded murder of 14,500 Polish officers and intellectuals at Katyn and two other sites.

Stalin picked his top war time propagandist, Jew Ilya Ehrenberg to do the hatched job. Ehrenberg assembled a team of 28 Jewish writers in 1946 to compile the "Black Book" of German atrocities in Russia. This book has never been published in the West because it is full of ridiculous praise of Stalin as a great humanitarian.

Today, the director of Israel's holocaust Yad Vashem study center, Yosef Kermish, has decided that the book is now of worldwide importance and should be published in many different languages for study schools throughout the world. Today the book is undergoing a big rewrite job deleting all praise of Joe Stalin, who according to a U.S. Congressional Committee, ordered the murders of some 25 million people. Still, the vile hatred which drips from the pen of communist Jew writer Ilya Ehrenberg is unparalleled. During the war, the "Associated Press" reported that he exhorted the Soviet Army, with their many wild Mongolian troops, to go their helpless German captives in the waining days of the war with a murderous vengeance. Here are Ehrenberg's very words:

"Kill. In German, nothing is guiltless. Neither the living nor the yet unborn...Crush forever in its den the fascist beast. Violently break the racial pride of the German woman. Ravish them as booty. Kill, you gallant Red soldiers."

With these words of genocide ringing in their ears the brutish Soviet troops pillaged, raped and murdered the innocents of the captive German civilians who fell into their clutches. Just imagine that now our children are to study in school the ravings of this communist Jew madman Ilya Ehrenberg! We will alert our readers when the communist "Black Book" is introduced into our schools. We cannot stand idly by while such outrages are taking place and our innocent and impressionable young children are being fed this self-destructive diet of hatred for our own race.

Below from the Chicago Sun Times, Oct. 25, 1977

By Michael Miner

Rising anti-semitism must be countered by weaving the central truths of the Holocaust into the educational fabric of Western civilization, two Israeli professors said Monday in Chicago.

"We're primarily concerned with what we see in Europe and Latin America as a rise in anti-Jewishness," said Prof. Yehuda Bauer. "This is outside of the Soviet and Moslem world."

Bauer and Prof. Moshe Davis agreed that there is a "recession in guilt feeling" over the Holocaust, encouraged by fresh arguments that the reported extermination of 6 million Jews during World War II never took place.

"If you can fortify the younger generation against this kind of disease, you've done a very important job," Bauer said.

Davis commented, "You can't rely only on memory. The memory will dissipate itself. You have to build in conviction and understanding. You have to build in a collective memory for those who were never there. That is a very difficult problem. It must become a reflex. . . ."

Bauer and Davis both are professors at the Institute of Contemporary Jewry of Hebrew University. They came to Chicago for a conference Sunday at Northwestern University on "The Jewish People in the Post-Holocaust Period."

Other participants included Dr. Franklin H. Littell of Temple University, Philadelphia's Dr. Victor G. Rosenblum of Northwestern, and the Rev. John Pawlikowski of the Catholic Theological Union in Chicago.

A statement drawn up by the participants was released Monday at a press conference.

It said that the conference "took place in the shadow of attempts made, amongst other places, right here in Chicago, to imitate the late Joseph Goebbels, Nazi propaganda leader, by creating a new, horrendous lie."

This was a reference to the recent book by Arthur Butz, associate professor of electrical engineering at Northwestern, that claimed that the Holocaust was empty "legend" spread by "an orchestrated campaign by Zionist groups."

"The young people, or even the older people, are not immune to this kind of thing," Bauer said.

"You know, it's not difficult to fabricate history," Davis added.

Don't Let Holocaust Guilt Recess

"Holocaust Guilt Feeling" Must Remain

"Chicago Sun-Times" of Oct. 25, 1977, carried a sensational article which did not appear in any other newspaper in America. Written by Michael Miner it stated that *"Rising anti-Semitism must be countered by weaving the central truths of the Holocaust into the educational fabric of Western civilization"*, according to two Jewish professors from Israel. They are Prof. Yehuda Bauer and Prof. Moshe Davis.

They said that the biggest worry in Israel is that there is a *"recession in guilt feeling"* over the Holocaust. They felt that this world bring a lessening of support for Israel and this no doubt is the chief reason for the super-promotion behind the "Holocaust"TV show. The professors even called arguments that the holocaust never took place a "disease" from which the younger generation must be fortified. They claimed that the American people must be brought to the point where sympathy for the Jew over the so-called "Holocaust" becomes an automatic "reflex." Of course, this would make us total puppets of the Jews.

Jews Joke About Holocaust

The Harvard "Lampoon" magazine has always had an editorial board loaded down with Jews. The October issue carried the joke printed below. Jews can joke among themselves over the Holocaust hoax they are perpetrating on Christians - but if we should originate such a "joke ad" the Jews would scream "anti-Semitism" from the rafters. They most likely will still do so, since we published it from one of their "kept" magazines.

KICK OUT CANAL SURRENDER SENATORS

Carter's Election Secret

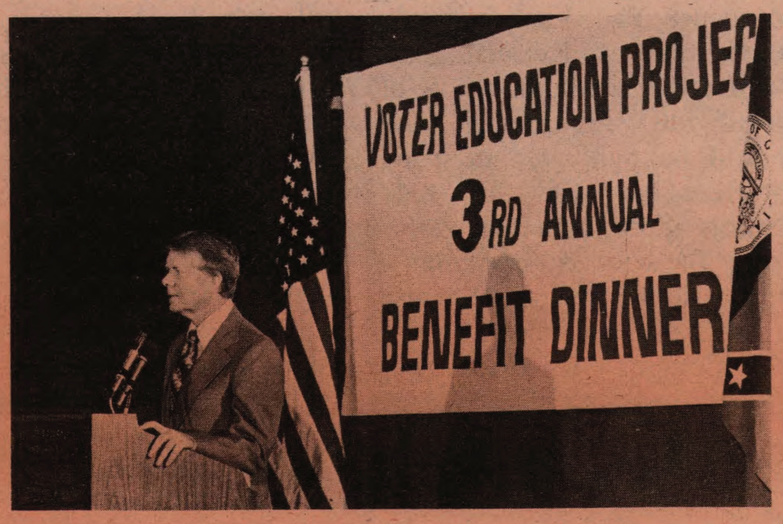
How Black Vote Elected Carter

The Voter Education Project, Inc. (VEP), formerly headed by negro John Lewis, is credited by Jimmy Carter with electing him President. In its annual report for 1976, VEP states on page 2, *"in 11 Southern states the cumulative results of 15 years of activities (negro voter registration) produced dramatic, visible and immediate results. The black vote in the South, on Nov. 2, 1976, provided the winning margin for Pres. Jimmy Carter and was also crucial for the victories of several Southern Congressional candidates."*

For this favor, John Lewis now heads the federal VISTA and Peace Corps programs.

This is just the tip of the iceberg. The AFL-CIO "COPE" and VEP are only interested in registering negroes and latinos to vote. This is the reason why today a higher percentage of eligible negroes are registered to vote than Whites in many states.

This massive voter registration campaign has practically been carried on in secrecy so as not to stir up White people to get out and register to vote themselves. This editor has met many working class Whites who say they wish they could have voted for White Racist candidates in the past, but they were simply not registered to vote.



Carter thanks "Negro Voter Education Project" for giving him the negro vote which elected him and Andrew Young to power.

Hundreds of thousands of negroes have been registered to vote in the South and in the major cities of the North. Today they stand as the balance of power in almost every close election. This is the chief reason why most politicians spend all of their time chasing after the minority vote. The problem is that White people will usually divide their votes between various candidates and the minorities decide the winner.

Because of COPE and VEP, the 1977 edition of the "National Roster of Black Elected Officials" was able to declare that there are now 4,311 black elected officials holding office due to massive negro voter registration. Mississippi is the state which has suffered worst from this "Second Reconstruction." Mississippi has 295 elected negro officials, Illinois is next with 281, Louisiana third with 276 and Michigan in a tie with Washington, D.C. with 251.

Carter Thanks VEP

When the Voter Education Project decided that it would give its all-out support to Carter, he addressed their third annual benefit dinner on Aug. 31, 1976. Carter said:

"The goal for which Martin Luther King, Jr., gave his life and the goal for which Andrew Young and John Lewis were beaten and imprisoned can now be realized. I see no reason why a citizen of our country should have to go through a legal process to be given a chance to vote. I will work for a law which will give instant voter registration to every one who goes to the polls to vote."

This program of Carter, COPE and VEP to make everyone an instant voter can only benefit the pro-communist elements in this country who are out to destroy our freedom and liberty. The organized minorities are capable of using buses and cattle trucks to herd their zombies to the polls to vote. The VEP has made full use of the new voter registration booths in negro churches, lodge halls, and even funeral homes. The new laws allows VEP members to actually mark the ballot of negroes who *"are disabled or blind."*

U.S. Aid To African Communists

A Carter bill to make available $100 million in aid to communist controlled Mozambique, Angola, Tanzania, and Zambia was sponsored by Representitive Richard Ichord, (Dem. of Mo.). The measure passed by the narrow vote of 208 to 204. This proves that just a few changes in the House for the Right side could put an end to all this ~~American~~ aid to ~~communist~~ countries.

Canal Sell-Out

Sen. Herman Talmadge sold his vote in return for Carter's support of his $2.3 billion pet aid bill.

Arizona Sen. Dennis DeConcini traded his vote for a plan for Carter to buy $250 million of his state's copper ore for the nation' super-wasteful *"strategic stockpile."*

Arkansas Sen. Dale Bumpers gave us the biggest shock of all in explaining why he voted to give away the Panama Canal. He said it would teach Americans that we have finally learned the *"lesson of Vietnam by which Panama's drive for full sovereignty over its own territory has avoided Vietnam's long war against foreign intervention."*

Dear readers out in Arkansas, please read that line again. Sen. Dale Bumpers is herewith confessing that he has been a covert hard-line communist all along. He says we Americans were "foreign interveners" in both Vietnam and our own Panama Canal Zone. Spread the word about this traitor in high office.

Georgia's Lt. Governor Zell Miller double-crossed his state when he stated that the decision of Talmadge and Nunn to support the treaty was "courageous" and neither man will face the prospect of political defeat because of it. Georgia's Gov. George Busbee also supported the Canal surrender. ALL FOUR OF THESE GEORGIA JUDASES SHOULD BE DEFEATED!

Georgia's Sen. Sam Nunn and Sen. Herman Talmadge jointly announce their vote to give away the Panama Canal and sell out their constituencies.

Sound trucks and door-to-door canvassing are used to bring out blacks to mobile voter registration booths. During July VEP was able to get every Governor in the 11 Southern states to declare that month "Voter Registration Month." These proclamations are used by VEP and COPE to stir their people up with the slogan: *"Hands that pick cotton - now can pick our public officials."*

Negro radio stations and negro newspapers broadcast the message loud and clear, but there is only silence in the White community. The Marxists continue to lull White Christians to sleep and there is no major White church denomination out urging its members to get out and register to vote. Whites are supposed to stay home on election day and watch "Archie Bunker" and other degrading stereotyped shows on television.

Who Backs VEP?

Jew Norman Lear has ordered his "stars" in *All in the Family, Maude* and *Chico and the Man* to film TV interviews which are shown over negro-oriented programs. Lear has received many awards for his TV shows for their clever impact in instilling guilt feelings within Whites for our supposed "prejudice" toward the colored population. All the while the minorities are growing stronger around us every day.

VEP money is raised by the Jew direct mail firm of *Schneider & Rich*. Major contributors to the drive by VEP to register negroes (never Whites) to vote include the tax exempt Ford Foundation, Jew Marxist "David Dubinsky Foundation," Rockefeller Brothers Fund, IBM, Westinghouse Electric, Johnson & Johnson, COPE, UAW, United Steelworkers Union, NAACP, Presbyterian Church, C & S Bank, Delta Airlines, Coca Cola, Georgia Power Company, Pepsi Cola, National Bank of Georgia, Sears Roebuck, WSB-TV and WXIA-TV and others. In other words, the Jew-controlled "establishment" is working with the enemies of White Society to submerge our people under the yoke of BLACK POWER rule. The time has come for the White people of America to awaken — REGISTER AND VOTE WISELY. Remember, we are still the majority and this is our own land. We must unite and act quickly while there is still time for us to take back our own country which is presently occupied by our racial enemies. White people must register to vote and out-vote the Jews and negroes.

The Roll Call of Jewish Organizations

It should be noted that every single Jewish organization in America urged the surrender of the Panama Canal . This is inconsistent with their refusal to ask Israel to give back the occupied Arab lands in order to bring peace to the Middle East. Our senators voted to give the Panama Canal away to a Marxist Dictator who has a Jewess for a wife and Jewish children being raised in a Jewish Day School in Panama. Torrijos brother, a drug trader, has the strange first name, Moses, which means they could be Maranno Jews. Our Senators are more interested in appeasing the rich and influential Jewish Lobby and not the desires of the American majority.

Don't forget Jimmy Carter who in a slippery maneuver won a campaign debate with President Ford with his statement: *"I will never give up complete control or practical control of the Panama Canal."* He also promised that as a born-again Christian, *"I will never lie to you!"*

Don't forget the perfidy of the churches. While they are supposed to keep their noses out of politics under our doctrine of *"Separation of Church and State"* the following organized religious bodies urged the give away of the Panama Canal. They are, the National Council of Churches, U.S. Catholic Conference, Episcopal Church, United Methodist Church, United Presbyterian Church and Church of the Brethren.

Public Responses Wanted?

Jew Congressman Elliott Levitas of the 4th District of Georgia invited Sam Nunn to appear with him at a public meeting in Tucker. Levitas invited the public to offer their comments on issues of interest. A large crowd of irate citizens attended, demanding that Nunn vote "No" on the Treason Treaty. Nunn flew into a rage at this opposition and stated he would not be intimidated by the wishes of his constituents. "I can always go back to farming," said Nunn - an attorney.

Booze, Sex, Marxism, Equal General Torrijos

The U.S. Army Security Agency, 408th Company, monitored all of General Torrijos phone calls since the day he overthrew the democratic government of Panama. While still officially secret, a Congressional Committee leaked some information from the tapped phone calls of General Torrijos.

The dictator is a heavy drinker and has numerous mistresses. Some of the tapes reveal him as a man who engages these women in intimate bedroom talk over the phone. He has asked advice from communists on how to run his government and his nation remains a wretched bureaucratic and economic mess. For this reason the U.S. government has agreed to use $10.7 billion to pay Torrijos for the "privilege" of taking away OUR Canal. Let's never allow any of our Senators to forget this betrayal of American sovereignty.

Talmadge & Nunn Could Have Saved Canal

They Could Have Been Heroes

Georgia's Sen. Herman Talmadge and Sen. Sam Nunn kept their vote on the Panama Canal giveaway a secret up until the very last moment. The treaty barely passed-by just the required two-thirds vote, plus one. Talmadge and Nunn could have become national heroes overnight by casting the two votes defeating the treaty. They could have reasserted our nation's manhood and stopped our deteriorating image before the rest of the world.

Instead, Talmadge and Nunn decided to betray their own constituencies and cast their votes in support of the Marxist dictator of Panama. Over 80% of the people in this state want America to retain control over the canal. Therefore ''The Thunderbolt'' calls for every Patriotic Georgian to vote against both their Senators when they come up for re-election. This applies to all the rest of the states and all should consider the list of those who voted in support of the surrender of the Panama Canal as enemies of the American people. They, one and all, richly deserve to be booted out of office.

Two Snakes To Be Remembered

Nebraska's Jew Senator Zorinsky votes a solid pro-Zionist line but he comes from a right-wing state. Mature Washington observers tell us that Zorinsky would have delivered his vote to the Carter forces had it been needed.

Another in the very same position is the two-faced Sen. Jennings Randolph of West Virginia. He waited until all of the other Senators pressed their vote button to see if his vote would be needed to pass the TREASON TREATY. His vote was not needed, so he belatedly pressed the ''Nay'' button.

All through the debates Sen. Nunn and Sen. Howard Baker said that they would attach *''reservations''* to the treaty with Panama which would *''guarantee''* the rights of America to return to the Canal if our rights there were ever threatened. Sen. Robert P. Griffin of Michigan has just revealed secret communications between Carter and Gen. Torrijos to the effect that these ''reservations'' are meaningless and will not alter the Pro-Communist Panamanian control of the canal.

Senator Griffin revealed that Torrijos told Carter that U.S. forces could re-enter the canal only *''if we are attacked by superior forces, or if we ring the bell, they can come in and defend the Canal.''*

He stated emphatically that America can intervene ONLY if asked to do so by the ruler of Panama. Panama's chief negotiator, Romulo Escobar Bethancourt, has declared that they will decide if *''U.S. warships will be given preferential rights to use the Canal during an emergency.''* He also stated that Panama will decide whether or not the U.S. has the right to intervene in the Canal.

Sen. Sam Nunn tipped his sell-out hand when he stated on an Atlanta TV talk show: *''The American people will have to decide whether or not they are willing to send their sons to fight and die to preserve the Canal.''* In other words, Nunn means that he is not willing to fight for sovereign U.S. territory.

General Omar Torrijos' National Guard has only 9,000 poorly trained soldiers, most of whom are negroes. If a handful of U.S. Marines cannot help wipe out this sordid element then America might just as well give Alaska back to the Russians. Nunn is a phony ''conservative'' just like Sen. Henry Bellmon, Republican from Oklahoma, who also betrayed his right-wing constituency by voting to give away our Panama Canal.

WE HAVE BEEN BETRAYED but at least we now have this official roll call of TRAITORS. Cut this list out and save it. Be sure and add Zorinsky and Jennings Randolph to the list and fight them with every means at our command. Let's kick every single one of them out of office when they come up for re-election! We will be the richer for their departure.

Jews Hate Germans

Anti-German Bias In Israel

Jewess singer Joy Bogen has announced her intention to sing songs by famed German composers Richard Strauss and Richard Wagner during her recital tour in Israel. She was quickly informed that the political views of the long deceased composers were ''anti-Semitic'' and banned by the Israeli Board of Censors. The Jewish nation claims that it is a democracy and aligned with the West. Still, she is the only country with laws censoring all news, TV, movies, songs and even what can be said at public meetings. Thus Zionism sounds a lot like Communism, doesn't it?

"Born Again Christians" — Or Con Artists?

Lawrenceville, Ga. was the scene where vile porno king Larry Flynt was gunned down on the street. He mocked Christianity by proclaiming that Pres. Carter's sister, Ruth Carter Stapleton, had converted him to Christianity. Still he continued to publish the filthiest sex perversion magazine ever to appear openly on newsstands.

Larry Flynt ridiculed Christianity by proclaiming that *''I am a born again Christian, born again Mohammedan, and born again Buddhist.''* Flynt said that he found plenty of porno in the Bible and would photographically depict this in *Hustler Magazine*.

We don't know who shot Flynt, but one outraged Christian phoned police and told them that *''Jesus Christ had settled Flynt's obscenity trial.''* Some think that Flynt let Ruth Carter Stapleton believe she had ''saved'' him in order to help him get out of his 10 to 25 year prison sentence he received in Cincinatti for racketeering in obscenity.

Holocaust 'hoax' book author says he has no regrets

Northwestern University Prof. Arthur R. Butz caused a furor last year when he published a book contending the Nazi extermination of Jews was a Zionist hoax.

Arthur Butz

Butz says he has no regrets about writing the book, entitled "The Hoax of the Twentieth Century." Its cover has a large swastika entwined with a smaller Star of David. It isn't available at the campus bookstore, but they'll order it for you—$5 in paperback or $9 hardcover.

"Sales are not very good," Butz said. "No regular bookstore has carried it on their shelves. You'll have to ask the bookstores their motives for this."

Butz, 44, is back at his job as associate professor of electrical engineering at Northwestern, where he has been for 11 years.

He wanted to talk about the book in Munich last summer, but city officials wouldn't let him, he said. Now he is planning to publish a "Q. & A." pamphlet on frequently asked questions about his book.

"The questions people ask are very repetitious. They fall in an established pattern," said Butz. "Most people say, 'Well, didn't American troops find corpses at German camps at the end of the war?' I say, 'Sure, it's true. But this is not evidence of an extermination program—because everything in Germany had broken down.' "

Butz's book was roundly denounced by various individuals and groups. Rolf Horn, West German consul general in Chicago, said in a letter to the Daily Northwestern, the student newspaper, that the book is "an insult to the Jewish communities of all nations [and] also to the people of the Federal Republic of Germany."

U.S. AID POURS INTO RUSSIA

David L. Buchman, Rockefeller's man in Moscow

Companies Shipping Aid To Russia

Soviet inefficiency in oil production has caused a shortage in that country despite the large natural reserves lying deep beneath the frozen wastes of Siberia. The communists want our technological know-how from our North Alaskan oil fields for their own use. Thus they have hired such firms as Brown and Root, Reid Took, and Dresser Industries to help Russia become self-sufficient in oil.

Occidental Oil magnate, Jew Armand Hammer, still is promoting his $6 billion 20 year plan to extract natural gas from East Siberia for sale in America. Thus far the mechanics of the plan have still to be ironed out but just give him more time and your tax dollars.

General Electric is helping build the longest natural gas pipeline in history - from Siberia to the Czech-West German border. Rockefeller's Chase Manhattan bank is financing the project which will mean billions in profits for Russia if they are able to sell natural gas to all of Western Europe at inflated prices.

U.S. Aid Saves Russia

Russia has rich oil and gold resources but faces shortages of both because they lack modern production machinery and skilled workers. Economic bungling prevents increased production and there is a total lack of incentive for Soviet workers to produce. Thus the Ukraine, the world's richest farm belt that at one time was the breadbasket for all Europe, can no longer feed Russia alone.

The Soviet space program is far behind that of the United States. They have given up trying to land a man on the moon. The Russian version of the British-French Concord called the TU-144 has cancelled all supersonic flights due to constant problems in equipment failure. Scheduled passenger service was due to begin six years ago and it looks now as if it may never begin.

America To The Rescue

Farmers remember the great grain ripoff of 1972 when the richest man in the world, Jew Michel Fribourg, sole owner of Continental Grain, bought millions of tons of wheat at $1.25 a bushel and secretly sold it to the Russians to save them from a famine. Then the price of wheat rose to almost $4 a bushel. Again tremendous profits went to the Jew middle man.

Today Agriculture Secretary, Bob Bergland, admits that his department failed to notify farmers that Russia would purchase 42 million bushels of wheat and corn over their estimated normal import which Bergland had set at 20 million tons. Again the secret dealings of Jew Fribourg and his cohorts robbed the farmers of their just return on their products. While store prices go up in this country the farmer becomes more impoverished because of the Jew trader in the middle who buys cheap and sells high.

U.S. Loans Arm Soviets

The Soviet Union is actually a backward country. Despite all the aid we have given them to build the world's largest truck factory called the Karma River Project, it is four years behind schedule. America had to cancel production of the B-1 bomber, cruise missiles, and Poseidon submarines because we cannot afford the expense. At the very same time we have loaned Russia and her six slave satellites more than $49 billion since 1970. They have used this money to surpass the U.S. in building huge armies, navies and weapons. In 1973 the Soviet bloc trade deficit was estimated at $3.5 billion. In 1976 it rose to $10 billion. This is one reason the so-called "planned controlled" Soviet economy had to double the price on many scarce goods such as gasoline, coffee, etc.

Loans and credits from the West are all that keep Russia from economic collapse. Prof. Richard Portes of London University calculates that at the present rate of borrowing, the Soviet debt will grow to $100 billion by 1980. Right now Russia must use 26% of her hard currency to make payments on said debts and Poland must use 30% of her hard currency. Bankers warn that their is no way to foreclose on a loan to a communist government. Their record of repayment is not good when one considers that Russia has repaid only about 5% of the $11 billion the United States loaned them during World War II. Why had "our" government guaranteed much of these loans against default when at any time they could simply refuse repayment? Russia's invasion of Africa and their financial aid to guerrillas would be much more difficult if it were not for massive U.S. economic and financial aid to communist countries.

Rockefellers in Moscow

Chase Manhattan Bank maintains an office and full time staff in Moscow's Metropol Hotel. The representative for Nelson and David Rockefeller is David L. Buckman. He cites with pride the $600 million Soviet loan that he arranged between Chase and 60 other Western banks on Dec. 15th. Mr. Buckman states that said loans have been used to purchase $1.75 billion in grain and industrial equipment from America last year alone. Without the Rockefeller arranged loans, such purchases would have been impossible. Thus America continues to be the chief financial supporter of international communism.

Secret U.S. Aid To Russia

Italy's Christian Democratic Party has accepted the Communists into their government for the first time in their history. Their influence on the Christian Democrats has already been of benefit to the Soviet Union. Italy is a bankrupt country which is only financially afloat because of a huge loan from the United Nations *"International Monetary Fund."* These funds are provided, as usual, by the U.S. government, courtesy of our taxpayers.

Italy had just "loaned" the Soviets $650 million. Part of this was used to purchase grain from the U.S. to prevent a worker's revolt from breaking out inside Russia. Comptroller of the Currency, John G. Heimann, had re-classified Italy from "near insolvency" to "normal risk" to make possible another $500 million loan from the Chemical Bank of New York to the communist infiltrated Italian government. These loans are insured by the U.S. government (meaning you the taxpayer) will make up the loss in the likely event of default.

U.S. Aid Pouring Into Vietnam

Reparations to the tune of billions are being demanded by Red Vietnam as the price of our recognition! Why President Carter would even want to legitimize a government which slaughtered 55,000 of our boys during the war and violated a peace agreement to conquer our ally, South Vietnam, is a mystery to us.

At the very same time as "our" government is allowing millions of dollars worth of so-called "relief" supplies to flow into that brutal communist dictatorship. (Why won't they allow such aid to be shipped to anti-communist Rhodesia?)

National Council of Churches and its 30 major Protestant affiliations have formed the Church World Service group to help Vietnam. They recently shipped some $2 million worth of wheat to help Vietnam out of the port of Houston amidst great local fanfare. But wait a moment, Jewess Cora Weiss is an official in the Church World Service overseeing this project. She is an anti-Christian communist fronter who betrayed America by aiding Vietnam during the war!

Since our defeat with the fall of Saigon in April, 1975 we have allowed private do-gooder and leftist groups in America to ship some $7 million in aid to Vietnam's murdering Red regime. This ranges from grain, medical equipment to farm equipment. Rev. Paul McCleary of the National Council of Churches summed up his group's attitude by stating that *"this program will remind Americans of their responsibility toward Vietnam."*

Thus the old church sponsored self-hate syndrome is pounded into the minds of our people. They have been so successful with instilling a guilt complex within our people because our ancestors saved the negro from cannibalism in Africa that they now have decided to make us feel "guilty" for the way we let communists kill our boys and kick us out of Vietnam! Does your church belong to the evil National Council of Churches? If so, perhaps it is time for you and your friends to walk out and find a true Christian church to join.

Another Communist Ripoff of Taxpayers

The World Bank employees, headed by Robert Strange McNamara, live a life of luxury at your expense while handing our tax dollars away to communist enemy nations. Rep. Bill Young has revealed that over the past two years America has given over $200 million to the World Bank while Russia gave only $8.4 million. This money is supposed to help the so-called "underdeveloped" countries.

Large sums have gone to Cuba, Vietnam, Mozambique and Angola. All are Soviet puppet states. Thus our foreign aid money is saving Russia from having to send similar amounts of aid to prop up these tyrannical regimes. With all these gc ·ment giveaway programs it is a miracle that America has not already gone bankrupt.

Russian Default Could Cause Depression

Soviet Trade Deficit

Russia is borrowing more and more money. Today they are making their installment and interest payments on time but the debt is growing. Theodore Shabad's report, "Russian Deficit in Trade Widens" shows that it is growing by leaps and bounds. The day may well come when the Reds will refuse to make further payments. Right now they are importing huge amounts of machinery and technical equipment. Russia is running short of oil and gold which are about the only products they can sell abroad for convertible currencies. The communist manufacturing system is decrepit compared with that of the Western nations and Japan. Russia is rated economically just above that of the backward colored third world countries. Russian industry is so inefficient that it cannot compete at all with the free world.

Writer Alice Widener reports that the danger of out-right war could face us when the Soviet economy really breaks down and they follow their old self-destruct policy of *"If I have to go down, I'll take the whole works with me."* The Russian dictatorship is actually bankrupt already and we had better be armed to the teeth according to Mrs. Widener. When the Soviet slave state finally reaches its final point of collapse, she may well attack.

Perhaps this will be the hour when they will strike at the West and seek to overrun all of Western Europe. Economics have been the source of many a war in the past and there is no reason to believe that times have changed. Perhaps this answers the question of why Russia is in such a mad rush to build its military machine to one of dominance over the West when their home economy is in such a shambles and on the verge of failure. Thus all the aid we have shipped to the Soviets could be what they are using to step up their arms race.

CLEAVER'S CONVERSION A FRAUD

To a White Girl

By Eldridge Cleaver
From "Soul on Ice"

I love you
Because you're white,
Not because you're charming
Or bright.

Your whiteness
Is a silky thread
Snaking through my thoughts
In redhot patterns
Of lust and desire.

I hate you
Because you're white.
Your white meat
Is nightmare food.
White is
The skin of Evil.
You're my Moby Dick,
White Witch,
Symbol of the rope and hanging tree,
Of the burning cross.

Loving you thus
And hating you so,
My heart is torn in two.
Crucified.

Robert Schuller special with

Charles Colson, Corrie ten Boom, and **Eldridge Cleaver** gather around Dr. Robert Schuller during the filming of his nationally syndicated Hour of Power TV program. A singing performance by **Norma Zimmer** tops off this outstanding presentation. You can see it **tonight at 10:00 pm, WOR, Channel 9.**

Above are four con-artists who use religion to peddle race-mixing propaganda.

This is fugitive Eldridge Cleaver in Moscow in 1969 where he broadcast against our boys in Vietnam. He urged their death by use of atomic weapons.

Eldridge Cleaver Conversion

Eldridge Cleaver's vicious anti-White philosophy is exposed in a separate article on this page. The question is: has he really been converted to Christianity? Cleaver is now traveling all over the country with an evangelistic team made up of another convicted felon, Charles Colson. Cleaver is facing trial for the attempted murder in a 1968 Oakland shoot-out while he was still running the Black Panther Party.

Cleaver has appeared on the Oral Roberts TV show, on the PTL born again program, as well as with Billy Graham. Graham said: *"Mr. Cleaver's conversion is the second most important decision for Christ I have ever witnessed."*

Is Cleaver Sincere?

Today Cleaver is free on a $100,000 bond and is desperately looking for a way to beat the serious charges which could result in a 71 year prison sentence. Conservative Philadelphia millionaire Arthur DeMoss posted Cleaver's bond and contributes heavily to his personal expenses because of the convict's supposed conversion.

In 1969 Cleaver was an atheist and used a four-letter word to tell an interviewer what he could do with the Bible. As co-founder of the Black Panther Party, Eldridge Cleaver called for armed revolution and urged Russia to use atomic weapons against American soldiers in Vietnam. When he originally jumped bond in the above described Oakland case, Cleaver fled to Cuba. Then he went to Algiers where he tried to form a "North American Liberation Front" for the overthrow of the U.S. government by negroes and other minority groups.

Paul Jacobs is the Jew who lost $50,000 when Cleaver jumped bond and fled the U.S. in 1968. He held a fund-raising cocktail party for Cleaver with Jew conductor Leonard Bernstein. Today the editor of the American Jewish Committee's magazine, *Commentary,* Norman Podhoretz, has been holding fund-raising parties for Cleaver's legal fight. Rev. Robert Schuller of the "Hour of Power" TV show has aided Cleaver to raise money. Even New York Senator Daniel Moynihan has given Cleaver $500 for his legal defense.

Radio broadcaster , negress Elsa Knight Thompson, says that Cleaver is an *"amazing salesman and is now out to win his freedom by saying just what the Whiteman wants to hear."* She states that when Cleaver was 12 he converted to the Roman Catholic Church and later to Black Islam, and then became an open advocate of marijuana, rape and revolution.

Today Cleaver's detractors point out the fact that he holds a patent in Paris to a men's fashion design in which the trousers are so designed that they clearly feature the outline of the sexual organs. Cleaver states that after he gains his legal freedom, he will try and market such clothing in America. He explains that *"my design has a tremendous future, both artistically and commercially, because not just the intellect is honored but the other half of man's identity, the sex organs, are too."*

Cleaver states that *"I'm a master strategist,"* and this is no doubt true. While fooling millions with his "born again" line, Cleaver is subtly injecting the communist indoctrination of racial equality in his religious preachings. During his PTL-TV show interview with Bob Bakker, Cleaver charged that *"Fidel Castro is a racist."* He explained that Castro was sending negro Cubans to fight and die in Africa as cannon fodder while White Cubans remained in Havana living *"high on the hog."*

This is simply not true and it is the light-skinned Cubans who have the battle bravery which won the war for the Reds in Angola and Ethiopia. Cleaver says that the Arabs are racists for their persecution of the Jews. Again the opposite is true. The Jews have confiscated the most fertile Arab lands and driven almost 2 million Palestinians from their homes, farms and businesses.

Thus Eldridge Cleaver is cleverly using religion as a guise under which he is promoting an anti-racist campaign of race-mixing which is always the first step toward interracial marriage and mongrelization of the White Race.

Baptist General Convention of Texas official Lloyd Elder says that Cleaver has had the biggest impact in their $1.5 million advertising campaign to spread the "born again" message in that state.

Cleaver was honored at the 25th anniversary of the Campus Crusade for Christ in Hollywood and was baptized before TV cameras at the Arrowhead Hotel swimming pool. Another "slick negro" has taken the Whiteman for a ride and his fellow blacks look up to him for making fools out of the Whitefolks.

Eldridge Cleaver's Lust for White Women

The book *Soul on Ice* by Eldridge Cleaver, the Black Panther leader, is on the library shelf in most of the nation's schools and colleges. This book, written while Cleaver was in Folsom Prison for parole violation, has sold over 2 million copies. It is skillfully designed to instill self-hate within Whites over the supposed abuse negroes "suffered" during slavery. The truth is that our forefathers saved them from brutal tribal savagery, torture and cannibalism.

In *Soul on Ice,* Cleaver states that it is an inhuman form of torture to keep young blacks *"in the bull stage"* from having conjugal visits with wives and girl friends. The biggest objection to this idea is Cleaver's own admission that negroes only want White women. He admits that the pin-up photo on the wall of his cell was that of a "voluptuous" White girl who he liked to dream he was married to.

Cleaver said that he quizzed fellow black prisoners on this question and discovered that *"they all stated a preference, and they freely admitted their dislike for black women."*

Cleaver's book states that during this period he suffered a "nervous breakdown" and that *"for several days I ranted and raved against the White race, against White women in particular, and against White America in general."* Cleaver then wrote the shocking confession of his younger days during which he vented his violent hatred for the White Race through brutal rapes committed upon innocent White girls. These are his words:

"I became a rapist. To refine my technique and modus operandi, I started out by practicing on black girls in the ghetto...when I considered myself smooth enough, I crossed the tracks and sought out White prey. I did this consciously, deliberately, willfully, methodically.

"Rape was an insurrectionary act. It delighted me that I was defying and trampling upon the White man's law, upon his system of values, and that I was defiling his women - and this point, I believe, was the most satisfying to me...recently I came upon a quotation from one of LeRoi Jones' poems, taken from his book, 'The Dead Lecturer':

'A cult of death need of the simple striking arm under the street lamp. The cutters from under their rented earth. Come up, black dada nihilismus. Rape the White girls. Rape their fathers. Cut their mothers' throats.'

I have lived those lines and I know that if I had not been apprehended, I would have slit some White throats. There are, of course, many young blacks out there right now who are slitting White throats and raping White girls. They are not doing this because they read LeRoi Jones' poetry, rather LeRoi Jones is expressing the funky facts of life...I know that the blackman's sick attitude toward the White woman is a revolutionary sickness; it keeps him perpetually out of harmony with the system that is oppressing him. Many Whites flatter themselves with the idea that the negro male's lust and desire for the White dream girl is purely an esthetic attraction, but nothing could be farther from the truth. His motivation is often of such a bloody, hateful, bitter and malignant nature that Whites would really be hard pressed to fine it flattering."

Thus we read the shocking reasoning behind negro rape of our White women. They are driven by fanatic hatred for the White Race and rape is meant to degrade and punish our women just because they are White. At the same time this book is written to justify the blackman's hatred and to instill within the White student reader a guilt complex so intense that it seeks to justify all the brutal crimes committed by blacks against Whites. This is the real reason liberals have this book in our school libraries and as required reading in many "literature" and "social studies" classes. Thus this insidious brainwashing of our youth continues unabated.

JEWS IN LABOR UNIONS MEAN CR

Rogues Gallery of Parasites Who Prey on

Jews Infiltrate Many Unions

There is a rapidly growing number of Jews who have never put in a single day as laborers who now head powerful labor unions. The following is a study of how U.S. workers are losing control of their unions to Jews who are more interested in promoting equal rights for colored people and hiring coloreds ahead of Whites than they are preserving jobs for White workers.

Jerry Wurf is head of the "State, County and Municipal Employees Union." Wurf is a Brooklyn Jew with a "foghorn" voice. He started out as an organizer for the Socialist Party and today controls the 700,000 member public service union. His goal is to organize all 8 million public employees in America. Most have their own civil service unions, but Wurf demands that they merge with his union.

It was in the 1964 Baltimore police strike that he brazenly told citizens that if they did not like it, *"Let Baltimore Burn."* Thousands of young blacks poured out of the ghetto into the streets and had a field day smashing windows and looting. Fires ran 150% above normal. State police were harassed by striking police and wild negroes looted, shot a fireman and shot and threw rocks at the other firemen.

In an interview with *U.S. News and World Report* in 1966, Wurf said that a *"revolutionary change is needed in which unions are co-equals with government."* Wurf wants communist type political power for himself over our government. During his police strike in San Francisco, officers slashed tires and blocked traffic. A bomb exploded on the Mayor's front porch. During the Kansas City strike, firemen were arrested near the scene of a fire with an open gasoline can and gasoline-soaked rags.

Jerry Wurf draws a salary of $60,000 and a $24,000 expense account. He says that our servicemen in the military should also be unionized. It is easy to see why the communist Socialist Workers Party has endorsed Wurf's activities.

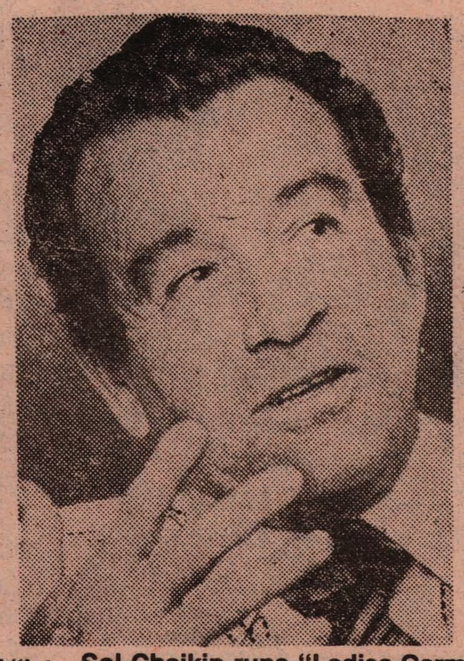
Women's Lib Not in ILGWU

The International Ladies Garment Workers Union has always been headed by Jewish men. Over 80% of all its members are women and the Jews are in the forefront of the women's lib movement with Bella Abzug, Betty Friedan and Gloria Steinem being its founders. Still, it is a different story when it comes to just who runs a woman's union.

Marxist Jew David Dubinsky, who founded the New York Liberal Party, was the first head of the ILGWU. When he died at age 64, Louis Stulberg took command and nine years later he retired at age 75. Today Sol C. Chaikin heads the Ladies Garment Workers Union. When asked about the present makeup of his union, Sol Chaikin made what Joyce Purnick of the *New York Post* called a "racist" statement. Chaikin stated that at one time most of the union's members were Eastern European Jews who were hard working and highly motivated to get ahead. He stated: *"Today most of our members are blacks and Hispanics who lack such motivation."*

No doubt he foresees the day when all American workers will be living like slaves in "happy" communes. The *London Daily Telegraph* warns that Soviet secret police agent Boris Averyanov, who heads the Russian Trade Union, has visited Marxist union leaders in America and England. It is vital that U.S. labor keep Jews and communists out of their unions and not allow themselves to be used for pro-communist causes.

Jerry Wurf, the man who would "let Baltimore burn" wants to unionize all government workers and military servicemen.



Sol Chaikin runs "Ladies Garment Workers Union" which has never had a female head.

Elderly Exploited in AARP

American Association of Retired Persons (AARP) is a wonderful sounding title and they provide trips and entertainment for members. The catch comes when you realize that the head of the AARP is the Jew Bernard Nash.

This group has become a powerful lobby in Washington for the rights of older persons, but at the very same time, Nash is using the organization's money to promote the ERA and civil rights legislation. He has been successful in organizing some 3,306,229 older persons into the AARP, which is really a front for Jew Marxist schemes. Even some of our people have been affiliated with the AARP and we hope that you will keep us informed about Nash's activities.

As our population becomes older, the AARP will have even more power. It must be used for the RIGHT purposes and not Marxist Jew projects. Why is it that every time something new comes into being that is popular and provides a needed service, a Jew will quickly take over. From what we have learned, it is all but impossible to remove Bernard Nash from his position as Executive Director of the AARP.

How Jews Take Over Christian Unions

The Distributive Workers Union is headed by the Jew David Livingston. Most of these unskilled workers are poorly paid and few are Jews. On this page we reproduce a letter sent out by Livingston's chief aid, Morris Rosenzweig. He mails all the members a form with a slate of David Livingston's "approved" nominees for union offices. If you want to vote for someone else, you can write their name in.

But how can an opposition slate organize against the approved slate? Not only that, but you do not sign your name and send in your ballot as an anonymous vote. Then Rosenzweig, Livingston, and their cohorts count the votes and announce victory for the "approved" slate. How is that for "Democracy" in action?

Other Jew-Run Unions

United Paperworkers Union has Henry Segal as its secretary-treasurer. William R. Berg edits their publication and states that the chief mission of the labor movement in America is the *"goal of equal rights and equal opportunities for all minority groups."*

This certainly does not aid the White worker majority when there is a dwindling number of jobs in America. Such unions help management discriminate against White workers because Jewish unions always support the idea of "affirmative hiring" and job quotas, which mean fewer employment opportunities for White youths entering the work force in the future. What is their future to be? Are they to be in the welfare lines with the minorities getting the best jobs despite their lack of qualifications?

The Amalgamated Meatcutters Union is headed by Jew Abe Feinglass. Nat Goldfinger heads the AFL-CIO Research office in Washington, D.C. Barry Feinstein is supposed to be one of the fastest-rising officials in the Teamsters Union. Irving Bluestone heads the United Auto Workers at General Motors. His latest plan is for all the foremen to be fired and replaced by worker elected foremen. This has been tried in socialist countries and production falls and incentive drops when no one has a real "boss." What all of this is doing is setting us up for communism.

Jew Simon Katz recently led a delegation to Red China representing the Distributive Workers Union. He reported that this year the U.S. will export to Red China a billion dollars worth of goods. Katz said that while in China he visited factories and stayed overnight in a Chinese workers commune. Katz said all the workers were happy.

New ADL-Type Spy Agency?

Watch the Right Wing

President of the Industrial Union Dept. of the AFL-CIO is the Jew Jacob Clayman. He warned a Los Angeles meeting that the right wing posed a threat to COPE candidates in the coming summer elections.

Clayman charged that Rightists would try and defeat COPE candidates by "collecting money" for their own candidates. In other words, he objects to any opposition to the COPE multi-million dollar campaigns to elect hard-core Marxists to office! Claymen even suggested that a *"watch dog"* (spy) type unit be established to watch what he called *"racial conservatives."* Perhaps they are worried by people like J.B. Stoner who are not afraid to run for office on an open platform advocating the preservation of the White Race.

The Wall Street Journal's investigative reporter Jerry Landauer has come up with shocking data showing how Jews who have never worked a day in their lives in labor are ripping off union members' dues. Many of these Jew labor bosses make more money than the nation's top corporation executives, to say nothing of the poor members of their unions.

Landauer reports that the Jew Bernard G. Rubin gets $130,000 a year with a $50,000 expense ac-

count as a union official. He is able to conceal this information from union members because federal law only requires that labor leaders report their income from a single union to the members of just that specific union. The trick is for the Jew to be an officer in a multiple number of unions.

This is how Rubin rips off union members. First he draws $21,000 as business manager of Miami Local 478, Laborers Union, then $51,167 as president of Laborers Local 666 in Miami Beach and another $51,167 as president of Laborers Southeast Florida Council and $6,000 per year as "special representative" to the parent union. At the same time, his wife, Gerre Rubin, who rarely shows up at work, is secretary to two of Rubin's unions with a total salary of $29,606. Rubin is furnished with a free union car and an expense account of $50,000 a year. NONE OF THE MEMBERS OF THESE UNIONS HAVE THIS INFORMATION!

George Meany, the head of the AFL-CIO, receives $75,000 a year, which is chicken feed in comparison to what the Jew con men receive who have corrupted the unions they have taken control of.

Jackie Presser is a powerful Jew union leader in Ohio who has never worked as a trucker a day in his life. Yet he holds down three union jobs which pay $65,000 each. This gives him a total salary of $195,000 plus an unlimited expense account. Very few corporate executives make this kind of money and every cent of it comes from union dues paid out of the pocket of the worker who can least afford it. It should be remembered that all of these Jew union bosses will later claim fat pensions from each of the separate union jobs they hold.

Young William Presser, son of the above, has climbed upon the gravy train with the help of his father. William takes in $12,000 a year as financial secretary of Cleveland Local 19 Bakery and Confectionary Workers Union, $19,500 as President of Local 10, Hotel and Restaurant and Bartenders Union, $1,100 as recording secretary of Teamsters Joint Council 41, and $29,000 with an expense allowance of $6,500 as a Teamsters organizer - despite the fact that he has never organized a new local!

Harold Friedman, Jew President of Bakery Local 19, got $123,000 last year, plus fringe benefits. Irving Horowitz of the International Production Service and Sales Employees, with 20,000 members, gets five paychecks from his different locals for a total salary in excess of $150,000 a year. Horowitz receives $45,725 as president, $33,500 for being a board member, and $6,670 from each of his five unions. The total income of that union in dues last year came to $262,618. Friedman's take, along with his hand-picked cohorts, comes to $210,640, so that leaves very little left to benefit the members of the union.

COPE Used Against Labor Who Is Al Barkan?

The AFL-CIO's Committee on Political Education (COPE) is the most powerful influence in American politics next to the Jewish Lobby. The question facing union members is whether or not COPE is using their union dues in the best interests of the American worker.

The following study of COPE will prove conclusively that the $2 million taken out of workers pay checks for COPE by the 113 unions under George Meany is definitely being misused.

Al Barkan, 67, had dictatorial powers over COPE and states that he has control over 57 Senators and 269 Congressmen. Barkan was born of Jewish parents from Poland. They are Jacob Barkan and Rachel Perelmen. He began as a textile union organizer but like many other Jews holding high labor offices, he has never actually held down a worker's job.

Jew Barkan, as director of COPE, is almost totally unknown to the general public. In the 13 years he has held this post Barkan has received a salary of $37,000 and an almost unlimited expense account. He has distributed some $30 million to COPE approved political candidates. Time magazine of March 1, 1967 states that Al Barkan is *"a firebrand"* who is chiefly interested in registering *"blacks and Latinos"* to vote. But how does this help the White Christian American worker?

Building Colored Voter Power

"The Labor Council for Latin American Advancement" was founded by Al Barkan in November, 1973. This organization is financed by COPE and has 13 states which have large Mexican and Puerto Rican populations. Barkan brags that in 1974 alone the Council registered 35,000 Latins to vote. The Latin Council, in its constitution and by-laws, states its prime objective is to *"encourage voter registration, voter education and greater participation by workers of Latin descent in politics."* It also states that Latins must be integrated within organized labor to ensure them "equal benefits" and for the "protection" of Mexican immigrants.

How in the world does building up the political voting power of Mexican immigrants, and giving them our jobs help the American worker? All it can possibly do is cut White workers out of jobs and lower living standards for all of us. Barkan states that the work of registering Latins to vote will be aided by the negro A. Philip Randolph Institute, FRONT—LASH, Senior Citizens, Inc., COPE and this new "Labor Council for Latin American Advancement." But, all of this is to be financed out of the union dues, via COPE, from the pay checks of America's 14 million members of organized labor.

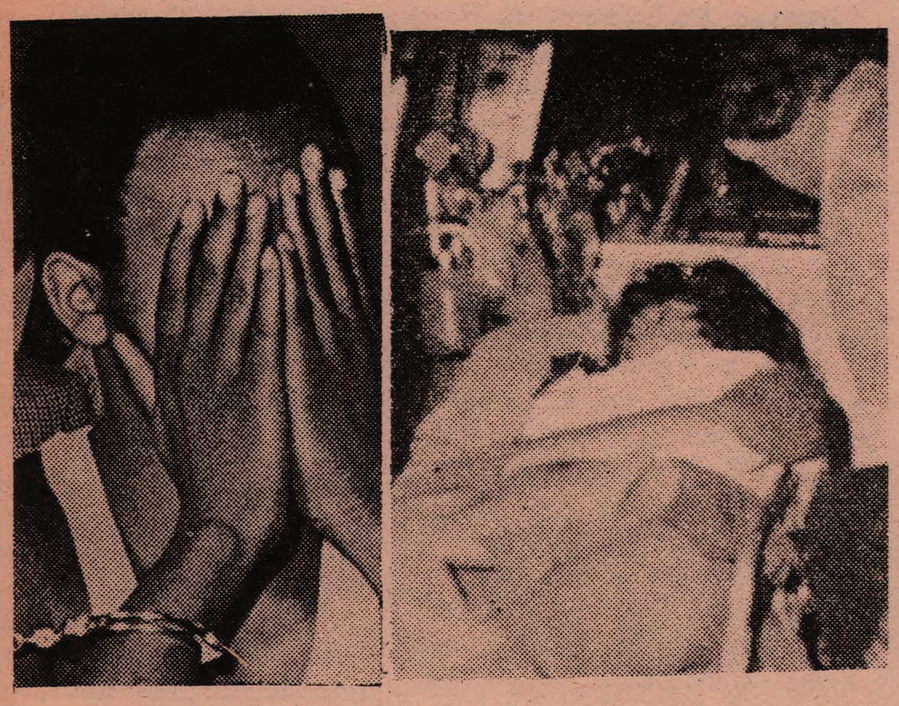
You can fight back by telling your employer or union representative that you want your name stricken from the list of those who have deductions taken from their pay which is earmarked for COPE. We will never be able to break the stranglehold of the likes of Marxist Al Barkan and his ilk in Washington until we cut their money off.

Time to Stop Highway Robbery

Reporter Jerry Landauer says that none of the above men wished to discuss their union salaries and expense accounts. They all turned down interviews. In Washington, a Labor Department official states that the law needs to be changed to force such double and triple dippers to reveal to their union members the TOTAL amount they collect from all the different positions they claim to serve within the union.

Al Barkan of COPE is so all-powerful that no legislation has been introduced in Congress to require such reporting. Naturally, since Pres. Carter has the support of most of these underworld characters, he will not move to have them report their income to union members. It looks like the rank and file are going to have to reorganize within their unions and kick out this vile and corrupt Jew parasitic element. The time has come for action.

More Suppressed News On Negro Atrocities



Negroes Wipe Out White Family

Oklahoma City was the scene of an execution-type slaying which is becoming more and more frequent in America. The entire family of Howard Siler, 32, was murdered by four blacks. Mr. Siler worked part-time as a driver's license examiner and he and his wife, Judy Ann, 28, and son Christopher, 6, operated Turk's Market at 3200 N. Western Ave. Four negroes entered and took $182 from the cash register. Then they ordered the family into a rear storeroom and forced them to lie face down. All three were then shot once in the nape of the neck with a .22 caliber pistol. Mrs. Siler died on the way to the hospital but her husband and son died instantly. Arrested were negroes Donnie Draper, 20, Ray Carolina, 18, Wayne Glover, 23 and Larry Breedlove, 20. The death penalty was asked for the four. The deportation of every single black out of America would not make up the loss of this one single productive White family.

Slaying suspects.

Killings Looked Like Natural Death

New York drifter Calvin Jackson has confessed to the murders of at least 11 elderly women who lived in retirement hotels. Police records show that negro Calvin Jackson, 26, once was convicted of *''felonious robbery,''* for which he could have received 15 years in prison. Instead, he was given only 30 days. There are many *''inside''* hotel rapes, assaults and robberies taking place today. Most all are committed by negro employees. Jackson worked as a porter at the Park Plaza Hotel. There he raped, robbed and killed 6 of his victims. Security at the front door was tightened, but Jackson was safe inside. City Medical Examiners listed two deaths as ''natural.'' Jackson had suffocated the elderly White ladies and straightened up the room after his attack. He has been given life in the death of Mrs. Pauline Spanierman, 59, and confessed to the other killings.

Negroes Enslave White Convicts

Columnist Andrew Tully castigated political officials in Washington, DC for their lack of interest in the case of a young Quaker named Robert Martin. He was arrested for ''disturbing the peace'' and thrown into the city jail when he couldn't make bond. Tully reported that Martin was raped over 50 times in a 48-hour period. Tough negroes became his ''owners'' and rented him out to other black prisoners for sexual purposes for a pack of cigarettes for each encounter.

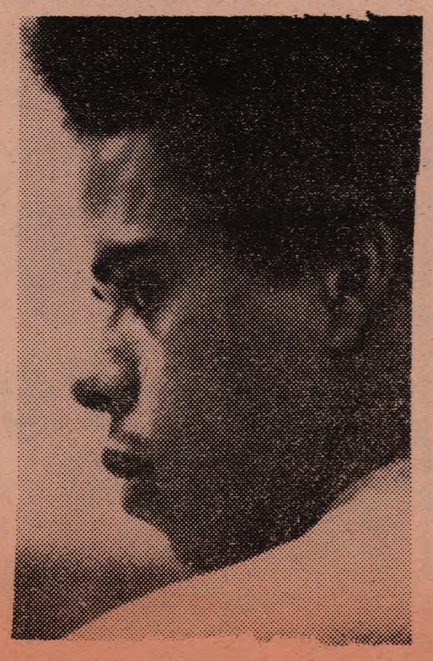
Martin was finally able to get to a guard where he begged for mercy. He was then released, but Mr. Tully says that the conditions in our prisons are a national disgrace, much worse than Watergate. He says, *"Where are to do-gooders who usually shed tears over the starving masses of Africa?"* He wanted to know why not one single minister or political figure in Washington has protested over the monstrous conditions in the city jails.

Raped at Prom Dance

St. Louis: Roosevelt High School had its annual prom dance and 250 kids attended. Thomas Schultz, 17, and his 18-year old date left the dance early. They were rushed by two armed blacks who climbed into their car with them. The children were forced to drive the negroes to a deserted area. There they were robbed of $16 and the young boy was locked in the trunk of the car. Then the two animals took turns raping the high school girl and one forced her to commit sodomy on him. They have not been apprehended and St. Louis continues its swift descent into jungle rule.

ACLU Leader's Son Kills Doctor

Colorado ACLU head negress Prof. Gwendolyn Thomas is now defending her own son, Henry Thomas, 22. He is charged with murdering his White female doctor, Dr. Zdenka Kalendovsky from Czechoslavakia. Thomas had obtained a prescription for the drug Librium, for claimed headaches, from the doctor but used the drug twice as fast as required. She refused to renew his prescription. Thomas waited in the parking lot for the doctor and shot her in the face when she reached her car. Thomas' mother now claims that his civil rights have been violated.



''Kill a Whiteman!''

National Rifle Assn. lobbyist Louis A. Sisler was murdered in Washington at his father-in-law's home by five blacks. It seems that the father-in-law's negro gardener had raped the 32-year old black daughter of Mary E. Harris, 55. She brought Alphonso Stoddard, 27, and four of his friends to the in-law's home *''to kill me a White man''* for the rape in the garage. For some reason they mainly blamed the Whites and not the negro gardener! Unfortunately, Mr. Sisler was the one who opened the door and was immediately gunned down. All those involved were arrested and charged with murder. For this and similar acts of terror, the NRA has moved its national headquarters out of Washington.

Animals Kill Young Nurse

Memphis: Miss Debra Anne Boone, 22, was a nurse who wanted to dedicate her life to helping the sick. Her life was tragically snuffed out by two young black thugs. Working the night shift at City Hospital, she was shoved back into her car as she was about to lock the door in the parking lot. The negroes are Nathaniel Young, 16 and Eddie Lawson, 14. The pair drove Miss Boone two blocks away where they took turns raping the terrorized nurse. Then they took her money, beat her viciously and then strangled the poor girl. The youths were caught when they sought to cover up their crime by setting Miss Boone's car on fire. Police said that Lawson was protected by Tennessee's juvenile laws and can only be given a maximum sentence of 7 years. Too bad that those who make such laws do not give more consideration to the protection of the victims of crime. The young girl's parents, Mr. and Mrs. Caldwell H. Boone, wept uncontrollably at the funeral.

Child Raped and Tortured

Detroit has been the scene of some of the worst negro atrocities in the country. Miss Scarlet Smith, 20, had reported that her three-year old daughter had been kidnapped from her boyfriend's car, Eugene Pillette, 21. Robbery Chief Henry Bone was ready to go on TV with a kidnap description when Detective Wood said, *"Hey, don't do it. There's something wrong here."* They had broken Miss Smith's story. She admitted that Pillette had murdered her three-year old daughter in her presence after a day of drunken torture and repeated rape attacks upon the little girl. Miss Smith is pregnant and she and Pillette were charged with murder.

Senseless Negro Attacks Against Whites

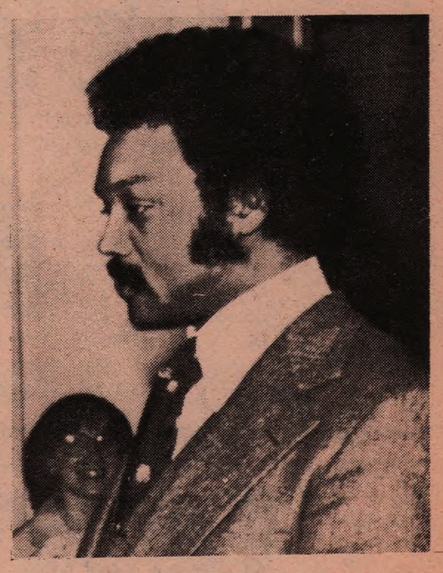
In city after city local news reports appear about negroes murdering, raping, robbing and assaulting Whites. Many innocent people ask themselves why are the negroes *''so bad in our town.''* They often are led to think that the reason is that blacks are ''socially deprived'' and ''poverty victims.'' The fact is that negro crime is rampant nationwide and the newswire services simply do not carry the shocking truth. Whites are left in the dark as to how horrendous this problem has grown. The following are terrible atrocity cases which should have been carried by the news services for publication on the front page of your local daily.

Chicago: Two visiting Atlanta architects found the ''Lincoln Towing Services'' about to remove their car for illegal parking. They were John Ayers and Andrew Powers. Ayers asked what it would cost if the tow-truck operator, John Wilbert, 29, released their auto. Wilbert asked for $50. When Ayers refused, Wilbert hit him over the head with a hammer. Mr. Ayers suffered a three inch cut on the forehead and was treated at a local hospital. Wilbert was arrested.

Taxes Go To Radicals

Tax Money for Jackson's PUSH

Joseph Califano, Secretary of HEW, has announced that a grant of $55,000 of your tax dollars has been made to anti-White militant Rev. Jesse Jackson's PUSH organization in Chicago. Jackson first started PUSH with the implication that it meant PUSH Whites out of the way.



Today he receives money from the tax-exempt Ford Foundation, Chicago Community Trust and the Los Angeles Board of Education. Now Jackson says he is going to ask for $1 million from the US government. Once they get their hand in the till, there is no end to the drain.

Jackson says that his group will teach ''black pride,'' and this in turn will help cut down on negro attacks upon Whites. Califano revealed that in America 2.4 million of the nation's 21 million students have something stolen from them each month and that 282,000 suffer bodily assaults. Some 12% of all school teachers, 5,200 of the 120,000 of the nation's teachers, are assaulted EVERY month.

Califano says that perhaps Jesse Jackson can help cut down these attacks upon White students and teachers. We don't believe it. The assaults will greatly increase. We want to know why the federal government is not considering financing ''White pride'' educational programs. Actually, our people are instilled with self-hate for their own race and this simply encourages more black attacks because Whites are blamed for the negroes' inherent shortcomings. This money is a total waste and will simply be used to enrich a handful of slick negro politicians like Jesse Jackson and his ilk. This is just one more rip-off of the White taxpayers and another blow to law and order.

Thrown Off Bridge

Chattanooga resident Lawrence Lindsey, 26, was walking across the Chief John Ross Bridge connecting Market and North Market Streets when he was stopped by four young negroes at 11:45pm. They took $10 from him and then bodily tossed Mr. Lindsey over the bridge and into the icy waters below. It was over 30 minutes before he could make his way out of the water. There have been no arrests.

Jews Flood America From All Over World

Now It's Yemeni Jews

Ely Dromy

Instant Riches for Yemeni Jew

Ely Dromy, 28, was born in Yemeni, Arabia. His parents moved to Israel, but found discrimination there. He says: *"My skin was dark and I had an inferiority complex. Favoritism rules Israel and you must know someone to get ahead."* Thus he moved to Los Angeles.

Dromy got a real estate license and went to work for Dan Gabriel Realty in Westwood. During his first five months in business, Dromy sold property worth $4 million. He now owns three apartment buildings in Los Angeles and has helped 10 other Yemeni Jews to immigrate to America. He is still not a citizen, but is already a real estate tycoon. Fast money is the name of the game and that is why the Jews are flocking to America.

No Oil Shortage Raise Highway Speed Limit

There is a glut of oil on the world market. This has caused the OPEC world price of $14.80 a barrel to be broken. It is a buyers market and the actual price oil companies are paying today is $13.10 and this is expected to fall.

In Marietta, Georgia there is an old-fashioned gasoline priee war with some stations charging as little as 52¢ a gallon for regular. It is not practical for producers to store oil and no one wants to close down producing wells.

For these reasons it is not sensible for the Carter Administration to continue to threaten states with penalties for not enforcing the ridiculous 55 mph speed limit. Many local governments use this to enrich themselves by large-scale ticketing of drivers who go slightly over the limit. The 55 mph limit has allowed more speed traps to be established than ever before existed in this country. There is no reason why the speed limit could not be raised to at least 65 mph, which is what most highway motorists drive anyway!

The time has come for us to demand that the government stop making law violators out of the average American drivers with this unreasonable limit. Truckers tell us that the present limit is inefficient for large rigs and they use more fuel trying to throttle them back. The oil shortage has not existed for a long time. Let's tell Congress that we want the speed limit raised!

Russian Jews Pour Into U.S. - Not Israel

Russia has doubled the number of Jews they are allowing to emigrate over last year. It is expected that over 20,000 will be allowed to leave and over half will come to America.

It should be noted that the Jews are the only racial group in Russia which is granted the special privilege of emigration quotas. No other group is allowed to leave in large numbers. At the same time American politicians continue to cry out for more Jewish immigration in complete disregard of the plight of millions of Christians who would like to leave Iron Curtain slavery in Russia, Poland and other countries of Central and Eastern Europe.

On this page we reproduce a *Jewish Telegraph Agency* report which reveals Sen. Ted Kennedy's new plan to bring to America 4,000 Jews stranded in Rome because they refuse to go to Israel. Kennedy says that they should be brought to the U.S. under Atty. Gen. Griffin Bell's *"parole authority"* which is supposed to be used only for refugees escaping political persecution. Certainly this would be circumventing the intent of the law because these Jews would not be persecuted in Israel.

"The Jewish Week" of Nov. 20 states that of the 4,697 Jews who left Russia who did not desire to go to Israel, some 4,164 chose to enter America. Some 45% located in the Metro-New York City area. This is the area in which Jews wield so much political clout over Washington. The same report stated that the number of Jews leaving Russia for America would increase to over 6,000 by the end of 1977 and final figures for last year are not yet in.

Billy Graham Does It Again

When Pres. Carter wanted blacks as members in his church it caused a split in the congregation. An overwhelming majority voted to keep the Plains First Baptist Church all White. A minority formed the Maranatha Baptist Church, which recruited negro members. Billy Graham has announced his donation in the amount of $10,000 to the building fund of the race-mixing church. Perhaps this comes out of Graham's secret $23 million slush fund. This is entirely in line with his pro-integration stand.

Graham has stated that Christ was not a Whiteman but a *"colored man."* He also has praised Jews as being *"closer to God"* than Christians. None of this can be substantiated in the Holy Bible, but this does show why Billy Graham has received so many honors from the Jews and integrationist groups.

Dr. Sharon Youngelson Sidley. She got a high-paying job at Atlanta's Grady Hospital

Israeli Jews Also Move Here

The rising tide of Jewish immigrants entering America is not just confined to those from Russia, but also Jews from Israel. Official Jewish statistics show that 21,000 Jews immigrated to Israel last year, but 17,000 emigrated out of that country. Another 6,000 left on student and visitors visas and most of these are not expected to return. The vast majority of these Jews come to the United States. It seems that a growing number of Jews want to get off Israel's economically sinking ship.

It is a recognized fact that there are over 250,000 Israeli Jews living and working illegally in America. While immigration officials deport tens of thousands of Mexicans and other illegals yearly, nothing is done about illegal Jew immigrants. The Jew money power combined with their organized community is so all-powerful that no one dares try to deport a Jew.

All Jew immigrants say that money is the sole reason they have come here. Jew immigration alone is one of the greatest curses ever to befall this great land of ours. If one wants to know the full story of exactly how the Jews extract money out of Gentiles, they should read the book *Jews Must Live* written by the well-known New York Jewish publisher Samuel Roth. This sensational banned book could well be called the eye-opener of this century. How Jews make money as doctors, lawyers, in real estate, entertainment, is all detailed here at only $3 per copy. Available from *The Thunderbolt*.

South African Jews Immigrate to U.S.

When you read of immigrants leaving Canada, France, Britain, Argentina and South Africa, you find that many of these people are not Gentiles, but are Jews. In any country with economic or social problems, the first to desert the ship are the Jews. Today we find that America is their land of destination and easy money, as always, is their goal.

Southern Israelite writer Marian Harelik on Oct. 7 revealed that Jews make up 4% of the ruling White population of South Africa. She says that Jews also constitute 90% of those leaving the country. Most all are immigrating to America and not to Israel. Describing 12 South African Jew families which have recently moved to Atlanta, most claim that impending racial strife is the reason for their departure. At the same time, all say they approve of black rule and civil rights for blacks. One was even an active worker for radical causes. Still the Jews want others to live under Black Power rule, which they will not accept for themselves.

Local Atlanta Jews arranged for Dr. Sharon Youngelson Sidley to obtain the high-paying job as head of the Grady Hospital psychiatric ward, a job many American doctors would certainly like to have. She said that racial discrimination against blacks is the reason she left South Africa. Working at Grady under her middle name, Dr. Youngelson admitted that she was very active politically for negro rights in South Africa and even says she is a "political refugee" here in the U.S. from "racist" South Africa! No doubt she will continue to cause trouble for White Christians now that she has arrived in America.

Another Jew woman from South Africa says that when the Jews begin to leave a country, you know that *"times are changing."* Jews are in large measure responsible for the agitation for black rule with the billionaire gold-diamond magnates, the Oppenheimer family, leading the fight for black rule. The Jews of South Africa can be charged with deserting the ship of state they themselves are responsible for scuttling.

New Evidence Proves 6 Million Jews Didn't Die

All Federal Governments since 1949 have omitted to shed light into the darkness of the extent of Jewish persecution during World War II. Bonn apparently took the easier way, to make propaganda lies the foundation of German politics. They did not dare set up a commission of inquiry with neutral and unrestrained scientists.

The evaluation of the knowledge of the special registrar's office in Arolsen, which registered all concentrations camp deaths, did not take place until Dec. 31, 1976. Among them was not a single "death by gassing." On the other hand, approximately 6 million claims for compensation which were directed to the West German authorities, preferably by the racially persecuted, and which claims should have been processed by statistics, have been satisfied in their majority. Claims from eastern Jews, especially from those who were annexed by the USSR at the end of the war, the so-called Polish Jews, and those who remained in their countries, are accepted only exceptionally.

A simple look at the development of the population of Palestine, or Israel respectively, shows that the legend of the 6 million must be false. The number of Jews in the Holy Land increased since 1933 by about 3 million, through emigration especially from Europe. To give only a few examples, in France today live approximately 900,000 Jews. In 1933 there were close to 200,000. In Great Britain, 300,000 in 1933 and 600,000 now. In Canada there were not even 150,000 in 1933, but today there are 400,000. In Argentina there are 800,000 today, but only 200,000 in 1933. In Soviet Russia there are by estimation 4 million in comparison to 2.5 million for 1933. The increase comes after the undoubtedly high casualties among Soviet Jews who fought as partisans, from Soviet annexation of Eastern Poland and its heavily Jewish population.

This bars the way into the future for the German people, to have to accept the atrocity propaganda, the lie of the 6 million and make generation after generation of Germans pay for this, not only in Marks but also politically and morally.

We know that therewith we touch the most guarded taboo of our time. At one time it was a sacrilege to doubt that the earth was flat or that some women were witches that should be burned at the stake. To our so much pretended enlightened time, "witch-processes" are unworthy for different opinions. Thus we must expose this latest forbidden subject.

DRESDEN 1945 The Real Holocaust!

By George T. Parker

Twenty-five years ago, as Allied planes rained death and destruction over Germany, the old Saxon city of Dresden lay like an island of tranquility amid desolation. Famous as a cultural center, and possessing no military value, Dresden had been spared the terror that descended from the skies over the rest of the country.

In fact, little had been done to provide the ancient city of artists, and craftsmen with anti-aircraft defenses. One squadron of planes had been stationed in Dresden for awhile, but the Luftwaffe decided to move the aircraft to another area where they would be of use. A "gentleman's agreement" seemed to prevail, designating Dresden as an "open city".

On Shrove Tuesday, February 13th, a flood of refugess fleeing the Red Army sixty miles away had swollen the city's population to over a million. Each new refugee brought fearful accounts of Soviet atrocities. Little did those refugees retreating from the Red terror imagine that they were about to die in a horror worse than anything Stalin could devise.

Normally, a carnival atmosphere prevails in Dresden on Shrove Tuesday. In 1945, however, the outlook was rather dismal. Houses everywhere overflowed with refugees and thousands were forced to camp out in the streets, shivering in the bitter cold.

The night splendor of beautiful Dresden before the ritual murder!

The old and beautiful square before the triple blow on the city.

LITTLE GIRLS IN CARNIVAL DRESS

However, the people felt relatively safe; and although the mood was grim, the circus played to a full house that night as thousands came to forget for a moment the horrors of war. Bands of little girls paraded about in carnival dress in an effort to bolster waning spirits. Half-sad smiles greeting the laughing girls, but spirits were lifted.

No one realized that in less than twenty-four hours those same innocent children would die screaming in Churchill's fire storms. But, of course, no one could know that then. The Russians, to be sure, were savages, but at least the Americans and the British were "honorable".

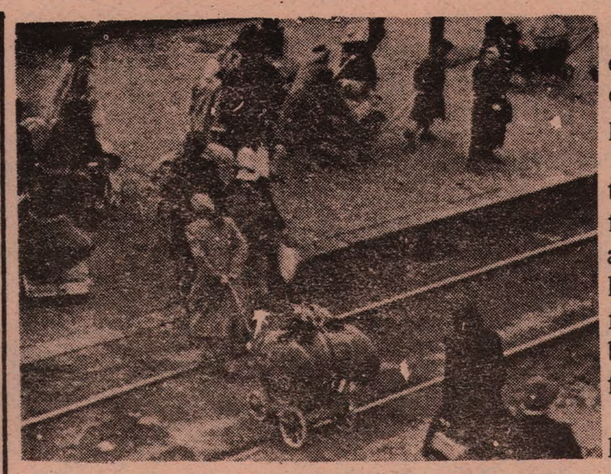
So when those first alarms signaled the start of fourteen hours of hell, Dresden's people streamed dutifully into their shelters. But they did so without much enthusiasm, believing the alarms were false, since their city had never been threatened from the air. Many would never come out alive, for that "great democratic statesman", Winston Churchill, in collusion with that other "great democratic statesman", Franklin Delano Roosevelt, had decided that the city of Dresden was to be obliterated by saturation bombing.

TO IMPRESS STALIN

What were Churchill's motives? They appear to have been political, rather than military. Historians unanimously agree that Dresden had no military value. What industry it did have produced only cigarettes and china.

But the Yalta Conference was coming up, in which the Soviets and their Western Allies would sit down like ghouls to carve up the shattered corpse of Europe. Churchill wanted a trump card – a devastating "thunderclap of Anglo-American annihilation" – with which to "impress" Stalin.

That card, however, was never played at Yalta because bad weather had delayed the originally-scheduled raid. Yet Churchill insisted that the raid be carried out anyway to "disrupt and confuse" the German civilian population behind the lines.



Refugees pouring into Dresden at the Central Station just before the raids!

Dresden's citizens barely had time to reach their shelters. The first bombs fell at 10:09 p.m. The attack lasted twenty-four minutes, leaving the inner-city a raging sea of fire. "Precision saturation bombing" had created the desired firestorm.

A firestorm is created when hundreds of smaller fires join in one vast conflagration. Huge masses of air are sucked in to feed the inferno, causing an artificial tornado. Those persons unlucky enough to be caught in the force of wind are hurled down entire streets into the flames. Those who seek refuge underground often suffocate as oxygen is pulled from the air to feed the blaze, or they perish in a blast of white heat – heat intense enough to melt human flesh.

One eyewitness who survived told of seeing "young women carrying babies running up and down the streets, their dresses and hair on fire, screaming until they fell down or the collapsing buildings fell on top of them."

There was a three-hour pause between the first and second raids. The lull had been calculated to lure civilians

Twice as many bombers returned with a massive load of incendiary bombs. The second wave was designed to spread the raging firestorm into the Grosse Garden.

It was a complete "success". Within a few minutes, a sheet of flame ripped across the grass, uprooting tress and littering the branches of others with everything from bicycles to human limbs. For days afterward, they remained bizarrely strewn about as grim reminders of Allied sadism.

At the start of the second air assault, many were still huddled in tunnels and cellars, waiting for the fires of the first attack to die down. At 1:30 a.m. an ominous rumble reached the ears of the commander of a Labor Service convoy sent into the city on a rescue mission. He decribed it this way:

"The detonation shook the cellar walls. The sound of the explosions mingled with a new, stranger sound which seemed to come closer and closer, the sound of a thundering waterfall; it was the sound of the mighty tornado howling in the inner city."

MELTING HUMAN FLESH

Others hiding below ground died. But they died painlessly – they simply glowed bright orange and blue in the darkness. As the heat intensified, they either disintegrated into cinders or melted into a think liquid – often three or four feet deep in spots.

When dawn broke, a three-mile column of yellow-brown smoke curled up into the sky. The mass of smoke drifted over the countryside toward Czechoslovakia, scattering debris the man-made tornado had sucked up.

A homeowner some fifteen miles from Dresden found his garden littered with prescriptions and pill boxes from a pharmacy in the inner city. Papers and documents from the gutted land Register Office showered down on the village of Pirna, some eighteen miles away.

Churchill's Jew Advisor Lindemann Ordered Salughter Of 250,000 Germans In "Open City" Of Dresden

from their shelters into the open again. To escape the flames, thousands of civilians had crowded into the Grosse Garden, a magnificent park nearly one and a half miles square.

The second raid came at 1:22 a.m. with no warning.

Shortly after 10:30 on the morning of February 14th, the last raid swept over the city. American bombers pounded the rubble that had been Dresden for a steady thirty-eight minutes. But this attack was not nearly as heavy as the first two.

HOSPITAL PATIENTS MACHINE GUNNED

However, what distinguished this raid was the cold-blooded ruthlessness with which it was carried out. Mustangs appeared low over the city, strafing anything that moved, including a column of rescue vehicles rushing to the city to evacuate survivors. One assault was aimed at the banks of the Elbe River, where refugees had huddled during the horrible night.

In the last year of the war, Dresden had become a

A camp at Dresden full of people trying to escape the Russian butchers. Little did they realize what fate awaited them at the hands of Allied pilots!

This family is exausted and sad. The little Christian boy is crying. Thank God he did not know we were about to burn him alive ! to please the jews!

Refugees pouring into Dresden at the Central Station just before the raids !

When the last plane left the sky, Dresden was a scorched ruin, its blackened streets filled with corpses. The city was spared no horror. A flock of vultures escaped from the zoo, and fattened on the carnage. Rats swarmed over the piles of corpses.

One eyewitness to the aftermath of Churchill's scheme to impress Stalin gave this account: "Next to the tram shelter was a public lavatory of corrugated iron. At the entrance was a woman about thirty years old, completely nude, lying face-down on a fur coat. A few yards further on lay two boys, aged about eight or ten, clinging tightly to each other. They too were naked. Their legs were stiff and twisted into the air. As far as we could make out, they were suffocated by lack of oxygen."

WORSE THAN HIROSHIMA

A Swiss citizen described his visit to Dresden two weeks after the raid: "I could see torn-off arms and legs, mutilated torsos, and heads which had been wrenched from these bodies and rolled away. In places the corpses were still lying so densely that I had to clear a path through them in order not to tread on arms and legs."

The death toll was staggering. The full extent of the Dresden holocaust can be more readily grasped if one considers that 250,000 persons died within a fourteen-hour period, whereas the dead at Hiroshima numbered only 71,879.

Allied apologists for the massacre have often "twinned" Dresden with the English city of Coventry. But the 380 killed in Coventry during the entire war cannot begin to compare with the 250,000 slaughtered in fourteen hours at Dresden. Moreover, Coventry was a munitions center, a legitimate military target. Dresden, on the other hand, produced only china – and cups and saucers can hardly be considered as military hardware!

It is interesting further to compare the respective damage hospital town. During the previous night's massacre, heroic nurses had dragged thousands of crippled patients to the Elbe. The low-flying Mustangs machine gunned those helpless patients, as well as thousands of other old men, women, and children who had escaped the city.

to London and Dresden, especially when we recall the schmaltz put out by Hollywood about the "London Blitz". In one night, 1600 acres of land were destroyed in the Dresden massacre. London escaped with only 600 acres during the entire war.

In one ironic note, Dresden's only conceivable military target – its railroad yards -- was ignored by Allied bombers. They were too busy concentrating on helpless old men, women, and children.

If ever there was a war crime, then certainly the Dresden Massacre ranks as the most sordid one of all time. Yet there are no movies made today condemning this fiendish slaughter; nor did any Allied airman – or Sir Winston – sit in the dock at Nuernberg. In fact, Dresden airmen were actually awarded medals for their role in this mass murder. But, of course, they could not have been tried, because they "were only following orders".

This is not to say that the mountains of corpses left in Dresden were ignored by the Nuremburg Tribunal. In one final irony, the prosecution presented photographs of the Dresden dead as "evidence" of National Socialist atrocities against Jewish concentration camp inmates!

Churchill, the monster who ordered the Dresden slaughter, was knighted and the rest of his career is history. The cold-blooded sadism of the massacre, however, is brushed aside by his biographers, who still cannot bring themselves to tell how the desire of one madman to "impress" another one led to the mass murder of a quarter of a million men, women, and children.

More Negroes Registering to Vote

It is vital that White people get out and register to vote. The reason we are saddled with such terrible sell-out politicians as Gov. George Bssbee and Lt. Gov. Zell Miller in Georgia, Rubin Askew in Florida, Red Sen. Dale Bumpers in Arkansas, etc., is that our people are not taking politics seriously. The COPE and VEP organizations are registering negroes wholesale while Whites have been lulled to sleep in front of the TV boob tube. Below are the shocking figures on just how far the blacks have come to now control the real balance of power in voting in the South. The following are percentages of eligible Whites and negroes registered to vote:

(Remember this is a percantage of those ELIGIBLE out of each race)

Alabama	79% Whites	58% blacks
Arkansas	62% Whites	94% blacks
Florida	61% Whites	61% blacks
Georgia	65% Whites	74% blacks
Louisiana	78% Whites	63% blacks
Mississippi	80% Whites	60% blacks
North Carolina	69% Whites	54% blacks
South Carolina	58% Whites	56% blacks
Tennessee	73% Whites	66% blacks
Texas	69% Whites	65% blacks
Virginia	61% Whites	54% blacks

These are U.S. Government figures for the year 1976. It is obvious that the states of Arkansas, Georgia and South Carolina are in dire threat of more black and Reconstructionist sell-outs being elected to office because of the huge numbers of negroes registered to vote. These figures are suppressed by the daily press so as not to stir up Whites to get out and register to vote. We congratulate the White people of Mississippi for doing best with 80% of their folk registered. Let's all try and reach this magnificent figure and even surpass it.

Alabama, Louisiana and Tennessee are also doing quite well and should work to register even more Whites. The rest of the Southern states are in a weakened voter position, Florida, North Carolina, Texas and Virginia, as well as all the other states outside the South need to register more Whites to vote. Remember that all your strong political opinions mean absolutely nothing if you are not registered to vote. Why not go down to your local County Courthouse this coming week and do something about it? Take your relatives and friends along too so they can vote in order to help PRESERVE THE WHITE RACE!

News Notes

Arabs Built "Jew Wailing Wall"

TV viewers have seen the so-called *"sacred Jew Wailing Wall"* with Jews bowing, wailing, and kissing this wall. Recently, the Borg-Warner Corporation distributed a 1978 calendar which said that the Old City of Jerusalem was a part of Western Jordan. It also stated that the wailing wall was actually part of a building constructed by an Arab sultan in 1542 and never was a part of Solomen's temple. The American Jewish Congress raised such a fuss over this publication that the Borg-Warner New York manager Richard Metally issued a formal apology to the Jews despite the fact that their original statement was historical truth.

Race I.Q. Views on "The Speaker"

The American Library Association produced a 42 minute film called "The Speaker." The movie tells the story of a scientist who visits a high school body to explain his finding that blacks are genetically inferior to the White Race. Radicals protest and the speaker is never named, heard, or seen, but Professor William Shockly has experienced such controversies. Liberals have sought to have this film banned but the A.L.A. overruled such protests and 250 copies have been made of the movie and distributed nationwide.

The Great Swine-Flu Rip-Off

Insurance companies were smart. They refused to insure the pharmaceutical companies from suits resulting from adverse reactions to the Swine Flu vaccine. As it turned out, there was no Swine Flu in 1976 and President Ford who insisted upon the plan poured $135 million down the drain to vaccinate a third of the population. No one got the flu, but over 2,500 suffered severe side effects which were far worse than the flu. Several victims died, hundreds are still paralyzed and they are suing the government for over $2 billion - which we poor taxpayers are going to have to pay for "Ford's Folly."

This year they tried to scare us to death with the threat of the "Russian Flu" - which did *sound* worse than the Swine Flu. Congress balked on insuring this vaccination program. But, just wait until next year and it will be a brand new flu with an even more frightening name. Being a Chiropractor, your editor does not believe in taking drugs when you are not even sick. Often the so-called "preventive cure" is worse than catching the disease!

FREE! - "THE AFRICAN"

By Thomas E. Watson

Tom Watson was one of the most famous political leaders in Georgia history. The main statue on the grounds of the Georgia State Capitol is that of Tom Watson. Watson was a world traveler and famous author and he studied the life of the negro in Africa. His prose on this subject is the most revealing and startling we have ever read. An appendix in this book gives the Belgian report on atrocities committed by negroes when they revolted in 1960 and sought to torture and kill all Whites. This sensational eye-opener is free to all NEW subscribers using this form or requesting "The African."
